MEDICARE SERVICE WAIVER

I understand that Medicare will only cover certain procedure codes for my adjustments. I understand that if x-rays or any other therapy is needed that I will be responsible for any and all fees that are not covered by Medicare or my supplement insurance.

Some health insurance companies provide limited coverage, and some provide no coverage at all for chiropractic care. The Locklear Clinic of Chiropractic will make every attempt to verify and file with Medicare and/or my secondary insurance company. I understand that I am responsible for any co-pay that is not covered by my insurance company or services provided that my insurance does not cover.
